## Livestock Industry

As a reputable dealer for cattle, sheep, and goats, Orakzai and Sons takes pride in our meticulous sourcing process, ensuring only the highest quality livestock from trusted breeders and farms. Our expertise lies in seamlessly facilitating the sales and distribution of healthy and well-maintained animals to a diverse clientele, including farmers, ranchers, and other stakeholders in the industry.

## Landscape Design

At Orakzai and Sons, we meticulously design landscaping services to infuse vitality and beauty into outdoor spaces. Driven by a fervor for transforming landscapes into captivating, functional, and eco-friendly environments, we provide a diverse array of services customized to fulfill the distinct requirements of every client."

## Residential Services

At Orakzai and Sons, In a region where the sun graces us year-round, numerous clients reach out to us, recognizing that the area beyond their homes should be as delightful as the interiors. We specialize in turning dreams into reality. Picture enjoying evenings with friends and family around a cozy fire pit as the sun sets. You've just savored a delightful dinner outdoors on a stunning stone patio, prepared in your very own outdoor kitchen.

## Vertical Garden Design

At Orakzai and Sons, At the forefront of revolutionizing Pakistan's landscape and horticulture industry, we consistently set international standards, both in design and implementation. Our commitment includes introducing innovative products, researching and developing locally-based technology, all aimed at providing cost-effective solutions to the masses.

## Trees Supply

At Orakzai and Sons, We have curated an extensive network of nurseries and farms, meticulously chosen for their expertise in specific inventory types such as palm trees, shade, or fruit trees. Ensuring every client's need is addressed, from height and crown size to trunk width down to the last millimeter, we have the capability to fulfill requirements even in the most remote areas of the country.

## Landscape Lighting SERVICES

At Orakzai and Sons, We offer solutions for a wide range of lighting needs and requirements. Whether it's practical motion sensor lighting or creating an illuminated atmosphere that transports you to a whole new landscape of your choice, our offerings cover it all. Properly executed, landscape lighting is a crucial element of landscaping that can enhance a space tenfold.

## Consulting Services

At Orakzai and Sons, As a unique and true-to-craft entity, we take pride in being one of Pakistan's most esteemed landscape design consulting firms. Our dedication is unwavering, and we specialize in providing personalized solutions that align with the client's taste and preferences, crafting dreamscapes unparalleled in the country.

## Sprinkler Systems

At Orakzai and Sons, We are your comprehensive solution for all irrigation requirements, catering to residential, commercial, industrial, and agricultural needs. Our offerings span from traditional pop-head sprinklers to overhead sprinklers, and we provide advanced systems for the agricultural sector, including automated pH level monitoring and more

## SOD Grass Available

At Orakzai and Sons, As the saying goes, 'the grass is always greener on the other side,' and chances are, it was laid by GreenLife. Selecting the right grass that aligns with your environment, water availability, soil/water pH levels, and crucially, temperature conditions is paramount. Our experts are seasoned in grass laying, backed by a collective experience from our pool of gardeners who have laid over a million square feet of sodded grass.
